## Beatrix Potter Primary School

## **Who can make a complaint?**

This complaints procedure is mainly aimed at parents or carers of children who are registered at the school, but it is not limited to them.

Any member of the public may make a complaint to Beatrix Potter about any provision of facilities or services that the school provides.

Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), the school will use this complaints procedure.

## **The difference between a concern and a complaint**

A concern may be defined as *‘an expression of worry or doubt over an issue considered to be important for which reassurances are sought’*. A complaint may be defined as *‘an expression of dissatisfaction however made, about actions taken or a lack of action’*.

It is in everyone’s interest that concerns and complaints are resolved at the earliest opportunity. Many issues can be resolved informally, without the need to use the formal stages of the complaint’s procedure. We take all concerns seriously and will make every effort to resolve the matter as quickly as possible.

The normal procedure for concerns is to speak with the class teacher. If this is not resolved satisfactorily, you may speak next to the Key Stage leader. Following this you may escalate it to the Deputy Headteacher and if you are not satisfied, the next stage is the Headteacher.

If you have difficulty discussing a concern with a particular member of staff, the Headteacher, will refer you to another staff member.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, Beatrix Potter will attempt to resolve the issue internally, through the stages outlined within this complaint’s procedure.

## **How to raise a concern or make a complaint**

A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf on a complainant, as long as they have appropriate consent to do so.

In the first instance, concerns should be raised with either the class teacher or Headteacher. If the issue remains unresolved, the next step is to make a formal complaint.

Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at stage 2 of the procedure.

Complaints against school staff (except the Headteacher) should be made in the first instance, to the Headteacher via the school office in writing or by email to [head@beatrixpotter.wansworth.sch.uk](mailto:head@beatrixpotter.wansworth.sch.uk). Please mark them as 'private and confidential'.

Complaints that involve, or are about the Headteacher, should be addressed to the current Chair of Governors whose name is in the Governors section of the school website, via the school office. Please mark them as 'private and confidential'.

Complaints about the Chair of Governors, any individual governor or the whole governing body should be addressed to the clerk to the governing body via the school office. Please mark them as 'private and confidential'.

For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the school office. You can also ask third party organisations such as Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

### **Anonymous complaints**

The school will not normally investigate anonymous complaints. However, the Headteacher or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation.

### **Duplicate complaints**

If, after closing a complaint at the end of the complaint's procedure, we receive a duplicate complaint from a spouse, a partner, a grandparent or a child not attending this school, we will remind them that we have already considered the complaint and the local process is complete. Complainants will be advised to contact the DfE if they are dissatisfied with our handling of the complaint.

### **Complaint campaigns**

If we receive what we consider to be a large volume of complaints, all based on the same subject and possibly from complainants not connected to the school, then we will treat these complaints as being part of a campaign and respond in one of the following two ways, depending upon the nature and scale of the complaint:

- send the same response to all complainants; or
- publish a single response on the school's website.

## **Timescales**

Complainants must raise the complaint within three months of the incident, or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

## **Complaints received outside of term time**

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

## **Scope of this complaint's procedure**

This procedure covers all complaints about any provision of community facilities or services by Beatrix Potter, other than complaints that are dealt with under other statutory procedures, including those listed below.

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

If a complainant commences legal action against Beatrix Potter in relation to their complaint, we will consider whether to suspend the complaint's

procedure in relation to their complaint until those legal proceedings have concluded.

## **Resolving complaints**

At each stage in the procedure, Beatrix Potter wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation;
- an admission that the situation could have been handled differently or better;
- **an assurance that we will try to ensure the event complained of will not recur;**
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made;

## **Withdrawal of a complaint**

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

## **Stage 1**

- Formal complaints must be made to the Headteacher (unless they are about the Headteacher), via the school office. This may be done in person, in writing (preferably on the complaint form), by email, or by telephone. The complainant must make it clear that they are initiating the complaint's procedure. The Headteacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email). Within this response, the Headteacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The Headteacher can consider whether a face to face meeting is the most appropriate way of doing this.

*Note: The Headteacher may delegate the investigation to another member of the school's senior leadership team but not the decision to be taken.*

During the investigation, the Headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish;
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the Headteacher will provide a formal written response. The timescale will be as short as possible but at different

times of the school year the procedures may take longer to apply.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Beatrix Potter will take to resolve the complaint.

The Headteacher will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 1. If the complaint is about the Headteacher or a member of the governing body (including the Chair or Vice-Chair), a suitably skilled governor will be appointed to complete all the actions at Stage 1.

Complaints about the Headteacher must go to the Chair of Governors and any complaints about the governing body must be made to the clerk, via the school office.

If the complaint is jointly about the Chair and Vice Chair, or the entire governing body, or the majority of the governing body, stage 1 will be considered by an independent investigator appointed by the governing body. At the conclusion of its investigation, the independent investigator will provide a formal written response.

## **Stage 2**

If the complainant is dissatisfied with the outcome at stage 1 and wishes to take the matter further, they can escalate the complaint to stage 2 – a meeting with members of the governing body's complaints committee, which will be formed of the first three, impartial, governors available. This is the final stage of the complaint's procedure.

A request to escalate to stage 2 must be made to the clerk, via the school office, within 5 school days of receipt of the stage 1 response.

The clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing or via E Mail. Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The clerk will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 7 school days of receipt of the stage 2 request. If this is not possible, the clerk will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates without good reason, the clerk will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions from both parties.

The complaints committee will consist of at least three governors with no

prior involvement or knowledge of the complaint. Prior to the meeting, they will decide among themselves who will act as the chair of the complaints committee. If there are fewer than three governors from Beatrix Potter available, the clerk will source any additional, independent governors through another local school or through their local authority's governor services team, in order to make up the committee.

Alternatively, an entirely independent committee may be convened to hear the complaint at stage 2.

The committee will decide whether to deal with the complaint by inviting parties to a meeting or through written representations, but in making its decision it will be sensitive to the complainant's needs.

If the complainant is invited to attend the meeting, they may bring someone along to provide support. This can be a relative or friend.

Representatives from the media are not permitted to attend.

The clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible;
- request copies of any further written material to be submitted to the committee before the meeting.

Any written material will be circulated to all parties. The committee will not normally accept as evidence recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

The committee will consider the complaint and all the evidence presented. The committee can:

- uphold the complaint in whole or in part;
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint;
- where appropriate, recommend changes to the school's systems or

procedures to prevent similar issues in the future.

The chair of the committee will provide the complainant and school with a full explanation of their decision and the reason(s) for it.

If the complaint is jointly about the Chair and Vice Chair or the entire governing body or the majority of the governing body, stage 2 will be heard by a committee of independent governors.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions to be taken to resolve the complaint.

The response will also advise the complainant of how to escalate their complaint should they remain dissatisfied.

The letter to the complainant will include details of how to contact the DfE if they are dissatisfied with the way their complaint has been handled by the School.

### **Next steps**

If the complainant believes the school did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the Department for Education after they have completed Stage 2.

The DfE will not normally reinvestigate the substance of complaints or overturn any decisions made. They will consider whether the School has adhered to education legislation and any statutory policies connected with the complaint.

The complainant can refer their complaint to the DfE online at [www.education.gov.uk/contactus](http://www.education.gov.uk/contactus), by telephone on 0370 000 2288 or by writing to:
